

Give A Manheim Central Holiday High Five!

Make your holiday shopping a bit easier this year by providing a special recognition for your favorite educator and/or support person at Manheim Central.

Teacher, Principal, Assistant Principal, Secretary, Food Service, Bus Driver, Counselor, School Board Member, Superintendent, Assistant Superintendent, Custodian, School Nurse, Coach, Instructional Assistant, Maintenance Staff, others who help your child. We will locate retired honorees, also.

The Manheim Central Foundation for Educational Enrichment invites you to honor those MC teachers and staff members who have made or are currently making a difference in your children's lives by participating in the MCFEE High Five program.

For a donation of any amount to MCFEE, your designated MC staff members will be presented a High Five certificate in your name, along with a holiday surprise. Donations received by December 16, 2016 will insure delivery at school before vacation.

Your donation is tax deductible and goes directly to help MCFEE provide enhanced educational and cultural opportunities for Manheim Central School District students, so they have the opportunity to reach their fullest potential. MCFEE has provided over 1.2 million dollars in grants to Manheim Central since its inception in 2001.

Fill out the form on the back and send it in before December 16th.
Call Cheryl Burke at 717-964-1150 or email cburke@mcfee4kids.org
for more information. Additional forms are available on
