OFFICIAL PUBLICATION OF MANHEIM CENTRAL FOUNDATION FOR EDUCATIONAL ENRICHMENT

## All Roads Lead to Family Breakfast

Mark your calendars for Saturday, October 24 and plug the Manheim Auto Auction into your GPS! Little navigation will be needed to fill your plate at the annual MCFEE Family Breakfast, held from 7-10:30 am. Home-cooked by the Manheim Auction Chef and staff, your \$7 meal ticket will be the best value among local destinations. Bring the whole family – kids six and under eat free. Little ones will also enjoy the balloon animals made just for them. Busy morning? No need to recalculate...stop by for takeout. Tickets may be purchased from any Trustee, by calling 964-1150, or at the door.

Back by popular demand! A Talent Showcase, featuring MCMS students, will take place in the lobby during the breakfast fundraiser. Come on out and support our local talent while donating to a great cause.

Last year's Talent Showcase included an appearance by the Doe Run Wonderwheels

## The Passion Continues

After serving the Manheim Central students for 35 years, **JERE MURPHY** remains devoted to advancing excellence in education through his support of MCFEE.

**How it began:** He engaged a diverse group of community leaders and businesses in 2000 to serve as Founders and the original MCFEE Board of Trustees.

**Term:** Building on the original concept of a Manheim Central Education Foundation from 1993, Jere organized what became known as MCFEE in 2001. He served as the organization's Executive Director for 8 years, leading the Foundation to become a sustainable nonprofit that supports the district with tools that enrich the educational experience.

**His role today:** He solicits contributions, attends fundraisers, recruits new donors and lives the mission of MCFEE.

**Favorite grants:** Visiting educators/authors/musicians such as Boston's Nick Page and England's Matt Lammin; far-reaching department-wide initiatives; the Middle School climbing wall; support for afterschool clubs such as guitars, unicycles and marimbas, and technology grants at all levels of the district

**Favorite Dinner & Auction purchase:** a Barnstormers Skybox Package that has turned into an annual outing for Jere and Barb's family and friends

**His hope for MCFEE:** to receive its first bequest and to remain sustainable and focused on educational enrichment

Jere thanks the community of Manheim for its uniqueness...and for the dedicated, hardworking people who see the value of investing in our students. MCFEE thanks Jere for his endless passion and drive to provide an academic booster club for the Manheim Central district!

MCFEE is managed by a 21-member Trustee Council, none of whom receive, directly or indirectly, any compensation for his or her services. These members are alumni of Manheim Central, community and professional leaders and parents who are committed and dedicated to providing creative and innovative programs to maximize the educational experiences of our students.

# 2014-15 Grant Spotlight

### "Language Learning at Their Fingertips"

provided 24 MCHS students with access to an independent language study of their choosing through Rosetta Stone. Languages included Dutch, Swedish, Irish, Russian, Arabic, Mandarin, Latin, Polish, Hindi, Hebrew, Japanese, Korean, and advanced German. This grant has been renewed for 2015-16 to again empower our students to communicate beyond our borders in business, travel, and mission work.

Middle school students from the **Button Biz Central** company prepared buttons for Baron Nation and for volunteers at this year's MCFEE Dinner & Auction. In addition to learning skills on running an entrepreneurial business, these students provided a useful and popular product for their clients. This group is building their resume early!

Here's a sampling of new 2015-16 grants that will roll out in MC schools this year: Virtual Business Restaurant Simulation, Aquaponics in 5th Grade, Beginning Research with Pebble Go Software, and author Michael Patrick O'Neill's visit to elementary schools. MC students throughout the district will enjoy enriching experiences thanks to their teachers' creative ideas and MCFEE funding. YOU are making a difference!

## Thanking Our Generous Business Community

Since 2001, local businesses have contributed more than \$650,000 to support MCFEE grants in technology, visiting artists/authors, and innovative projects through the PA Educational Improvement Tax Credit Program. Special thanks to this group of businesses that designated MCFEE as their nonprofit foundation in 2014-15, contributing a total of \$49,150 which will be used for grants in 2015-16.

## STUDENT SPOTLIGHT

### Meet Micah and Andrea.

This past May, MCFEE welcomed Andrea Guscott, class of 2017, as the newest ex officio member of the Trustee Council. She joins Micah Hershberger, class of 2016, as a student representative. Both students serve for two years, during their junior and senior years.

Micah, serving in his second year, is the son of Doug and Leasie Hershberger. He plans on attending Liberty University to major in Business Marketing. In addition to MCFEE, Micah is a member of the Manheim Central golf team, Student Council, Student Advisory, and serves as a Student Officer. Andrea, the newest member, is the daughter of William and Diane Guscott. She plans on attending college following graduation, possibly in the field of law. Andrea is involved with the Manheim Central Music Honors Society, Chansodie, Baron Stage, and serves as President of the Online Literary Magazine. Micah and Andrea are very excited for this wonderful opportunity to give back to MCFEE.
