

Entrance and Exit Guidelines

We are asking that all cars enter from the West at the intersection of Grant & High Streets. We will have the entrance and parking attendants ready at 8:00am until 10:00am or when show is sold out. At the entrance,

Preregistered entrants will need only to identify themselves in their car, receive your gift bag, and park.

Day of Show: You will pay the volunteer the registration fee. The attendant will give you a registration form to complete and bring to the registration table located at the flag pole. You will then receive your gift bag and completed dash card. **Due to safety issues, registered vehicles will not be allowed to leave the show until after the award ceremony (approximately 2:00pm). At that time, the volunteers will coordinate the exit of all vehicles.**
